

# WOMEN IN FORESTRY

The third in a series of hands-on, one-day workshops for women with an interest in woodland knowledge

**NOVEMBER 18**  
MEDWAY COMMUNITY FOREST

MEET AT MTRI  
9:00 AM

This session to include:

- Machines operations demo
- Business planning
- Forestry machine simulator
- Forest Stewardship Council certification
- Management plans for private woodlot owners
- Selection harvests

Whether you're a female woodlot owner, an aspiring forester, or simply looking to learn more about forests and their interactions, this workshop may be for you!

Cost: \$20.00  
Hot lunch will be provided

Space is limited and registration is required!
